NOTÍCIAS

Where Jaguars Are Killed, New Common Factor Emerges: Chinese Investment

2020-06-11 20:17:45

Poaching of the big cats is on the rise, and a new study links their slaughter to corruption as well as investment from Chinese companies.

Mutation Allows Coronavirus to Infect More Cells, Study Finds. Scientists Urge Caution.

2020-06-12 17:54:51

Geneticists said more evidence is needed to determine if a common genetic variation of the virus spreads more easily between people.

NASA Picks Astrobotic to Carry VIPER Ice-Hunting Moon Rover

2020-06-11 23:02:50

Astrobotic, a Pittsburgh company, won a \$199.5 million contract to transport NASA's VIPER rover to the lunar surface.

Migration Numbers Plunge for the Red Knot, a Threatened Shore Bird

2020-06-11 20:06:08

Every May, these birds stop in the Delaware Bay on their way to Arctic Canada. But a shortage of food this season puts their flight at risk.
